Buyer’s Receipt and Acknowledgement

There may be certain defects, which have been defined, described and disclosed above that I/we have been made aware and we hereby acknowledge these items. I/we acknowledge these defects and/or issues have been disclosed and addressed and will be addressed by me/us, should we decide to accept and purchase the described herein “As Is”, and we will address and remediate these issues ourselves, as or if we become the new owners of the apparatus described and disclosed per its condition, functionality, defects, damages and issues described herein.

It is recommended the Buyer(s) inspect or have the apparatus inspected by a third party, in accordance with the provisions of the contract of sale or purchase. There are areas of the apparatus that the Seller(s) may not have knowledge and this disclosure does not constitute any form of warranty. Buyer(s) acknowledges they have read and received a copy of this Fire Apparatus Condition Disclosure Form from the Seller(s), Seller(s)’ agent and/or from VFD-Fire Group. Buyer(s) also acknowledges the VFD-Fire Group and Will Griffin Fire, their principals, employees, agents, successors and assigns are hereby and heretofore indemnified and held harmless of any and all actions for any declarations, disclosures, representations, misrepresentations, or failures of disclosure by the Seller(s).
